Dear Local Residents

RE: Growth of The Warriner School in September 2017

We have been instructed by Oxfordshire County Council to begin a phased increase of the size of the school by 1 form of 28 students in September 2017 and a second form of 28 in September 2019 in order to meet the additional demand for school places as a result of housing developments in our catchment villages. This will bring with it a number of beneficial developments on school site which will include:

New tennis courts and an all-weather pitch,
10 new classrooms to house the English department,
2 new Science labs,
2 new Design Technology rooms
Additional on-site parking

We will also be able to refurbish the older areas of the school and replace the temporary classrooms that are no longer fit for purpose.

As a local resident, I wanted to draw your attention to the consultation which can be found at the site below:

https://consultations.oxfordshire.gov.uk/consult.ti/system/listConsultations?type=O&sort=ca_opendate&dir=desc

We have raised the issue of local traffic and parking with OCC and there will be a review as part of this process.

Kind regards,

Dr Annabel Kay
